

# ABUBEKER TAHA

Electrical and  
Computer Engineer

+251944862685

abubekertaha3@gmail.com

Addis Ababa , Ethiopia

## Technical Skills

JavaScript || React || Python

|| MySQL || Tailwind CSS ||

Node Js || Github || Network

and Communication ||

Proues || Arduino

## Soft Skills

- Problem Solving
- Communication
- Adaptability
- Teamwork , creativity

## Languages

English

Oromic

Amharic

## Profile

Resourceful Electrical & Computer Engineering graduate (CGPA 3.28/4.00) from Addis Ababa University, with a strong blend of hardware and software skills. Gained hands-on experience in optimizing wireless data flow during a 5-month internship at Ethio Telecom and demonstrated technical excellence by designing and delivering an A+ prototype radar system. In parallel, developed full-stack applications using React, Node.js, Express, Next.js, and MySQL, styled with Tailwind CSS. Skilled in embedded system integration (Arduino, Raspberry Pi) and circuit simulation (Proteus). Eager to leverage this interdisciplinary expertise to build robust, scalable solutions in engineering and software domains.

## Experience

**Ethiopian Cooperative Bank**  
**Addis Ababa, Ethiopia**

**Oct ,2024- Jan, 2025**

Participate in the integration of banking services and APIs to improve transaction processing. Conduct testing and troubleshooting of server-side applications, enhancing system reliability and performance.

**Info Tech Company, Remote**  
**India**

**Septembar-2024**

Developed and maintained web applications using HTML, CSS, JavaScript, Collaborated with the development team to enhance user interfaces and improve user experience.

**Intern Wireless Communication**  
**Ethio Telecom**

**Sep,2024- Feb,2025**

Monitored and managed wireless data flow across the network infrastructure Configured and troubleshoot wireless link parameters to ensure optimal performance

**A2SV Africa to Silicon Valley**  
**Addis Ababa, Ethiopia**

**sept, 2024 - Current**

Gaining intensive training in Data Structures and Algorithms (DSA) to strengthen problem-solving skills. Actively solving complex coding challenges and participating in competitive programming sessions, preparing for technical interviews at top tech companies. Focused on writing efficient, optimized code and mastering core computer science concepts.

## Education

B.Sc. in Electrical & Computer Engineering  
Addis Ababa University  
College of Engineering & Built Environment

**2020 - 2025**  
**CGPA 3.28/4.0**

## Intrest

Football, challenges and hackathons , Design Network
